12TH ANNUAL

WOUNDED WARRIOR PROJECT BENEFIT

**APRIL 29TH - MAY 3RD 2026
DENTON, TX**

BP Gives is a 501(c)(3) nonprofit organization. Our mission is to support North Texas veterans and children in need through community events that make a lasting impact. We extend sincere gratitude to our generous sponsors and dedicated volunteers who make our work possible.

Founded from a grassroots effort to help families in crisis, the organization has grown into a strong community partner, raising funds through outings, racquetball and pickleball tournaments.

A central focus of BP Gives is ensuring that donations directly benefit North Texas veterans through partnerships with respected veteran-focused organizations.

To date we have raised over \$125,00 that have been donated to back to our Veterans in North Texas. BP Gives was honored by the Wounded Warrior Project as one of their 2025 Impact Organizations.

During the Christmas season, we support Saint Nicholas Children's Charities by organizing toy drives that benefit Cook Children's Hospital. Through this partnership, more than 1,500 toys, gift cards and financial support has been provided to children receiving care.

Proud
Supporter of

**WOUNDED WARRIOR
PROJECT®**

Every warrior has a next mission. We know that the transition to civilian life is a journey. For every warrior, family member, and caregiver, that journey looks different.

As their post-service needs evolved, so have the programs and services offered by the Wounded Warrior Project. Today, through direct programs in mental health, career counseling, long-term rehabilitative care, and advocacy efforts, their work improve the lives of millions of warriors and their families.
